The land sales of the Union Pacific Railroad are now averaging nearly \$40,000 a month. The total sales to date amount to about \$30,000; the average per acre is four dollars and a half. These facts show that the reastriction Congress proposed to apply to the lands of the Northern Pacific at two dollars and a half per acre to actual settlers is rather below than above the prices of the other road.

FERIAN.-Fenianism has hardly changed its status in its last attempt upon the Dominion. Its pitiable improtency was sufficiently palpable before, but it is now more glaring if possible, and its demand upon the commisseration of all observers more irresistable. THE DIAMOND GLASSES, MANUFASTURED BY J. E. SPENCER & CO., N. Y., WHICH are now offered to the public

WHICH are now offered to the public, are pronounced by all the celebrated Opticians of the World to be tine Most Perfect, Natural, Arthficial belp to the human eye ever known.

They are ground under their own supervision, from minute Crystal Pebbles, melted together, and derive their name, "Diamond," on account of their hardness and brilliancy.

The Scientific Principle on which they are constructed brings the core or centre of the lens directly in front of the eye, producing a clear and distinct vision, as in the natural, healthy sight, and preventing all unpleasant scusations, such as glimmering and wavering of sight, distribuses, &c., peculiar to all others in use.

They are mounted in the finest manner, in frames of the best quality, of all materials used for that purpose.

Their fluish and durability cannot be surpassed.

CAUTION.—None genuine unless bearing their trade mark stamped on every frame.
